

K.M. Thiloka Jeewani Kulathunga

+94 76 430 0096 | thilokajeewani888@gmail.com | thiloka-kulathunga | Thiloka-Jeewani | Portfolio

PROFESSIONAL SUMMARY

BSc (Hons) Information Technology undergraduate specializing in Artificial Intelligence at SLIIT with hands-on experience in Java, Python, web development, database systems, and software engineering principles. Experienced in developing academic and personal projects involving full-stack web development, AI/ML concepts, and IoT systems. Academic achievement with 3.48/4.00 CGPA. Passionate about building scalable software solutions, solving real-world problems, and continuously learning new technologies. Seeking an internship opportunity to apply technical skills, gain industry experience, and contribute to real-world software solutions.

EDUCATIONS

Sri Lanka Institute of Information Technology	Malabe, Sri Lanka
BSc (Hons) in Information Technology – Specialization in Artificial Intelligence (CGPA: 3.48/4.00)	2024 – 2028
Mahinda Rajapaksha College- Homagama, Sri Lanka	
G.C.E Advanced Level (Commerce Stream with ICT), Results: A, A, C	2022/23
G.C.E Ordinary Level, Results: 9A Passes	2019

TECHNICAL SKILLS AND SOFT SKILLS

- Core Languages:** Java, Python, C, JavaScript
- Web Technologies:** HTML5, CSS3, JSP, Servlets, React, Spring Boot, TypeScript,
- Software Development:** REST APIs, CRUD Operations, MVC Architecture, SDLC Fundamentals
- Database Systems:** MySQL (Advanced), MongoDB (Advanced), SQL, File Handling
- AI & Machine Learning:** Data Preprocessing, Model Training & Evaluation, NLP Fundamentals, Scikit-learn
- Tools & Platforms:** Git, GitHub, IntelliJ IDEA, VS Code, Maven, Apache Tomcat, Ubuntu Linux, Microsoft Excel, Docker

Soft Skills: Problem Solving, Teamwork, Communication, Adaptability, Time Management, Quick Learning

PROJECTS

AI-Powered Travel Planning System – Lanka Travels (Tools: Python (Flask), MySQL, HTML, CSS, JavaScript,TypeScript)	2026
GitHub Link: https://github.com/Thiloka-Jeewani/AI-Powered-Travel-Planning-System-Lanka-Travels-.git	
- Developed an AI-assisted travel planning system for personalized destination recommendations. - Performed data preprocessing, feature engineering, and train-test data splitting for machine learning workflows. - Implemented recommendation logic, integrated backend APIs, Developed CRUDs and database interactions using MySQL.	
Vehicle Rental Mobile Application (Tools: HTML, CSS, NodeJS, MongoDB)	2026
GitHub Link: https://github.com/Thiloka-Jeewani/Car-Rental-System---Vehicle-Management-module.git	
- Built a vehicle rental mobile app with booking, user management, and vehicle listing features. - Designed responsive UI and integrated backend services with MongoDB for efficient data storage and retrieval.	
MOVIE-SENTIBOT – NLP Sentiment Analysis System (Tools: Python, Scikit-learn, Pandas, Kaggle Dataset)	2025
GitHub Link: https://github.com/Thiloka-Jeewani/MOVIE-SENTIBOT-NLP-Based-Solution-for-Movie-Review-Sentiment-Analysis.git	
- Developed an NLP system to classify movie reviews as positive or negative using machine learning models. - Performed data preprocessing, exploratory data analysis, and visualized model performance insights.	
Web-Based Laundry Management System (Tools: Java, React, SQL, Tomcat)	2025
GitHub Link: https://github.com/Thiloka-Jeewani/Web-based_Laundry-management-system.git	
- Developed a laundry management system supporting customer, staff, and administrator operations. - Implemented full CRUD functionalities for user management with SQL database integration.	
IoT-Based Smart Greenhouse System (Tools: Arduino, DHT11, LDR, Soil Moisture Sensor)	2024
GitHub Link: https://github.com/Thiloka-Jeewani/IoT-Based-Smart-Greenhouse-System.git	
- Designed an automated greenhouse monitoring system tracking water level, soil moisture, and light intensity. - Integrated sensors and actuators to automate real-world tasks and improve environmental efficiency	

CERTIFICATIONS

- Cisco Networking Basics
- Web Design for Beginners (University of Moratuwa)
- Python for Beginners (University of Moratuwa)
- Frontend Web Development (University of Moratuwa)

VOLUNTEER EXPERIENCE

- Volunteer — Field Visit (Rotaract Club, SLIIT | 2026)
Volunteered and participated in a field visit organized by the Rotaract Club of SLIIT.

REFEREES

Prof. Kasun De Zoysa	Ms. Umayangana Wijayasiri
Professor in Computer Science	Academic Instructor
University of Colombo School of Computing	Faculty of Computing, SLIIT
